Dress appropriately; headers should look neat and clean. This show will be a new first impression to a lot of non-draft people – let's look good!!!

Be safe, check harness and hitching. Harness should be clean and in good repair.

All classes will be judged on turnout and appearance as appropriate to the class, driving ability, willingness and response of the animal(s), teamwork between horses and driver.

### **Class Times:**

You are expected to be at the gate prior to the start of your class. It is your responsibility to inform the show staff if you are in need of a gate hold between classes. **We reserve the right to close the gate for late arrivals to the class.** Our goal is have gate holds no longer than 3 minutes. All exhibitor trailers will be parked around the arena so following the progress of the show should be easy. **Please be ready!!!**

### **Class Cancellations/Pull Ups:**

If we find we are ahead/behind of schedule, you will be kept informed by the PA system that will be used for the show. We will give you as much notice as possible. Please be sure to notify the show staff if you are choosing to scratch a class as soon as possible so we do not hold the gate for you.
