

Membership Application

The board of directors thanks you for showing an interest in the Colorado Draft Horse Association. The association was formed to promote an appreciation of, and interest in Draft Horses through activities and education.

The yearly dues entitle you to CDHA Sponsored events, a state newsletter, which comes out four times a year and carries statewide news, ads, show results and up coming activities. Most of our activities throughout the year are free of charge; however the competition events at some of the shows may not be free. \$20.00 of your dues goes to the State, and \$20.00 stays with us at the local level, so you can see how important the dues are.

Currently there are five chapters. The Northern Chapter is located in the Berthoud/Loveland area, Northeastern Chapter is in the Brush/Ft. Morgan area, Southern Chapter is in the Parker/Colorado Springs area, Mountain Chapter is in the Grand Junction area and the Western Slope Chapter is in the Silt/Rifle Area. You are free to join any chapter. Some chapters have different areas of interest, i.e., show ring and preparation, agricultural and farming, pleasure driving, and breeding. The fiscal year is January through December.
