Entrants will be required to leave their area in the same condition as they found it.

Draft Horse Show Rules:

This Show is limited to Farm Class Entries only. All breeds of recognized draft horses, Draft Crosses, Draft Mules, grade or registered are eligible to compete.

Junior Drivers will be allowed to compete in (2) Two regular Classes ONLY. (NOTE: Log Skid Classes are not available to Junior Drivers) Each Junior Driver MUST be accompanied by an Adult (18 or older) experienced Driver.

Horses/Mules may be used once only in each of the Farm Team, Log Skid Single/Team, Single/Team Obstacle and Feed Team Race classes. Drivers can have two entries in a class but can't use same horse. If we have a large number of entries we may have to limit this.

Class Particulars for all classes:

Dress appropriately; headers should look neat and clean. This show will be a new first impression to a lot of non-draft people - let's look good. All classes will be judged on turnout and appearance as appropriate to the class, driving ability, willingness and response of the animal(s), teamwork between horses and driver. Any entry may be asked to leave the ring if judged a hazard to other participants.

(1D) Draft Farm Team on the Rail- farm wagon, safe farm equipment, forecarts, wagonettes, hay wagons, and functional farm vehicles with fifth wheel gear allowed. One of the judging criteria is how well you portray a farm team as opposed to a fancy team. Clean farm harness or parade spotted harness allowed, no scotch collars, fancy martingales, etc. This will be an "on-the-rail" class but the Judge is permitted to ask for maneuvers as time allows. For example: backing, swinging the team, or driving a short pattern. **Please** bring your wagons, etc. Remember the "Special" Award. This is something else that will be new to the spectators.

(2D) Feed Team Race- We will use Sleds or Farm Wagons to load and unload the hay or straw bales. Wagons/ Sleds must be stopped before the "Swamper" leaves or gets back on the Wagon. "Swamper" must ride on the Wagon/Sled when it is moving. Bales must be completely on the pallets. Contact with pallets, barrels or cones will result in additional penalties. Horses can walk or trot, canter or gallop will result in a penalty. 10 second penalties will be added to the finish times for each penalty.

(3D) Single Draft Cart Obstacle- Single Horse- Event is timed. Walk or trot only, time penalty for each instance of canter or gallop. Time penalties will be added for disturbing or knocking down obstacles. Going off course results in disqualification. Course maps will be available at check-in. Carts are provided by each "Entry".

(4D) Team Draft Obstacle- Teams will be required to use our **Forecarts** for this Class. Course and Rules the same for Team as they were for Single.

(5D) Single Horse Log Skid- Timed Event. Walk or Trot only, time penalty for each instance of canter or gallop. Time penalties will be added for disturbing or knocking down obstacles.
